Fertilizers and Chemicals Fravancore Limited

2092. SHRI SURAJ PRASAD; SHRI N. E. BALARAM;

Will the Minister of AGRICULTURE be pleased to state;

(a) whether it is fact that an expert committee, in its, report submitted in November, 1985 had concluded that the present location of Fertilizers and Chemicals, Travancore Ltd. ammonia storage poses a danger to the population at Willingta$_n$ Island and, therefore, should be shifted to a safer location; and

(b) if so, what are the details thereof and what is Government's reaction thereto?

THE MINISTER OF STATE IN THE DEPARTMENT OF FERTILIZERS IN THE MINISTRY OF AGRICULTURE (SHRI R. PRABHU): (a) and (b) The Task Force, appointed to evolve a contingency plan, has recommended relocation of the ammonia storage tank to a safer place. The suggestion is based on the British Code of Practice which specifies that there should be - no habitat/activity with in a radiusi of 500 metres of the storage.

An alternative site for the ammonia storage facility is, accordingly, being identified by Fertilizers and Chemicals Travancore Limited in consultation with the State Government.
